

You are connected to my heart in  
which you will dwell forever.

You are the reason why I am able  
to love myself more. The little time  
I've shared with you will always  
be appreciated.

I am fortunate to see how your presence has allowed me to learn life-long lessons. You gave me a chance to grow.

**Mayah's  
Legacy**

Your little angel is watching you.  
Even though he/she will never be  
physically present, they are still  
a part of you.

Good morning, there is no need to suffer in silence. You're surrounded by a lot of love and support. And don't forget that you are your biggest source of inspiration and support. Don't lose your way.

The Universe is with you all the time, planning something better for you. You shall be blessed with far more than you have lost.

You are one of the most beautiful  
and powerful women because you  
face such an enormous loss with  
such courage and strength.

A moment of gratitude. You found  
the strength to get up today and  
the courage to grieve in your  
own way.

The one who has departed  
cannot be forgotten. But you  
can still hold out your arms  
for what's coming.

The pain you are going through,  
no one can understand. be kind  
to yourself.

Set aside time and space for your body and mind to heal. Grief is a slow process, so let it happen at your own rhythm.

You deserve some rest and  
space to find you.

Your motherhood is postponed  
not denied.

You have not done anything  
wrong; you are part of what  
has already been planned  
by the Universe.

Finding hope in the middle of a storm may be difficult, remember that storms do not last forever.

**Mayah's  
Legacy**

You can't put a price on the  
golden moments you shared  
with the baby.

Spend time with yourself.  
Acknowledge your feeling.  
Accept your loss. Experience  
your pain. Let it slowly pass by.

You did your best.  
You didn't do anything wrong.

You survived the loss, you survived the pain, you survived the darkness. And now the time has come for a new beginning.

This miscarriage showed me how strong I was and taught me to love myself. My little angel brought a gift of love.
